Body Composition Scale SC 4120

- Large LCD display.
- 50g graduation.
- Step-on technology.
- Thick tempered glass platform.
- Auto-zero and Auto switch-off.
- Low battery indicator.

The SC 4120 body scale provides accurate weight measurement with a maximum weight of 180kg/400lb in 0.1lb/0.05kg increments, with 2 weighing units in kilogram and pound.

Sturdy tempered glass platform is comfortable and strong enough to use. Easy to read due to the big LCD display and easy to clean.

There are no switches or buttons. The body scale measures precisely and immediately your weight, equipped with step-on technology, auto on/off function, low battery and over load indicator. Just step on the scale and you can instantly measure your weight. It automatically switches on for a weight above 3 kg.

Modern and smooth design fits perfectly into any bathroom or bedroom. The scale operates with 2 AAA batteries, which are included in the packaging.
